LUTHERAN CHRISTIAN SCHOOL

Insurance Coverage Verification

Field trips to various local places of interest enrich the instructional program at Pilgrim Lutheran Christian School. These trips are intended to compliment the curriculum and ordinarily are planned on an annual basis by teachers with financial support from the student activity fee paid by each child at the beginning of the year.

When it is not practical to rent a school bus, parents are asked to provide transportation. Parent drivers are required to submit insurance information to the school to ascertain coverage.

A minimum of \$100,000 per person, \$300,000 per occurrence and \$50,000 property damage under the bodily injury category is expected. Your insurance coverage must have the minimum requirements in order for you to drive on behalf of the school.

Please complete the form below to document such coverage. Thank you for your cooperation and willingness to help provide a quality program.
