How We Set Our Tuition:

Besides providing top quality, accredited, Christian education and having longer and more school days than most schools in the area, Pilgrim has the simplest tuition and fee structure. Tuition is set to cover the cost of providing this education with careful stewardship. The only extras not covered by tuition are lunch, extracurricular activities, and our extreme middle school field trips to Outdoor School and Washington, D.C. A Pilgrim education actually costs around \$8250 for each full time student. Funds not generated by tuition, are raised through our annual auction, PTL Jogathon, and the generous donations of those in our community.

Volunteer Rebate:

We love our volunteers! Each family who logs 25 or more hours of volunteer service during the 2017-18 school year is eligible to receive a \$125 rebate! Simply log your volunteer hours in the school system, and submit your request form before school ends in June.
