

Pilgrim
LUTHERAN CHRISTIAN SCHOOL

Volunteer Rebate Form

“In order for a family to be eligible to receive a Volunteer Rebate, twenty-five (25) service hours to the school must be documented. We ask that ten (10) of these hours be given to the school auction. In order to receive this refund, all school accounts must be current and documentation through the service log must be provided at the time of the request. Written requests must be submitted by June 20th of the school year for which you are requesting reimbursement.” (page 39, Parent/Student Handbook)

Please complete the form and turn in to the office. Upon receipt, your Sycamore service log will be printed **by the office**. Thank you for all you do to make Pilgrim great!

Family Name: _____

Volunteer Hours Completed: _____

Volunteer Hours for School Auction: _____

Signed: _____

Please select one of the following options for your reimbursement:

- Receive a \$125 reimbursement.
- Receive a \$125 check and immediately write your own check back to PLS as a gift and a tax deduction. (This option is a suggestion to our parents who choose not to claim their reimbursement to help the school financially. This option not only helps the school but also gives the tax benefit to the family who served the hours.)
- Roll the \$125 over towards tuition.

School Administrator: Please submit this form to the principal with a printout from the Sycamore service log attached.
